

Republic of the Philippines
APO PRODUCTION UNIT, INC.
E. De Los Santos Ave., Diliman, 1100 Quezon City

APO as one of the Philippine's recognized government printer; sees itself committed to provide high-quality security printing services to the National Government and its agencies. In numerous projects we help provide, facilitate and collaborate innovative solutions to pressing issues in handling accountable-forms. We believe that with our technological know-how and committed staff, we can provide strong sustainable service to our clients and in return (The National Government and its agencies) provide better service to Philippine Society. We are committed to fulfill our social responsibility in all our undertaking and shall abide by ethical policies mandated under existing laws.
